REMARKS

Sequence Listing

Applicants note that the contents of the computer readable form does not comply with the requirements of 37 CFR 1.822 and/or 1.823.

Attached hereto is a Second Preliminary Amendment and a replacement Sequence Listing in an electronic file, file name 51571-10_Seq_08-05-06_v1.txt, created May 8, 2006, file size 32 kilobytes. The attached Sequence Listing has been run through Checker 4.4.0 (2005) and, to Applicants' knowledge, contains no errors. Applicants submit that the contents of the sequence listing information recorded in computer readable form is identical to the written form, and contains no new matter.

Preliminary Amendment

The Office states that the preliminary amendment submitted on June 16, 2006 has not been entered allegedly because Claim 47 is missing. However, Applicants note that the claims entered in the PAIR system on June 16, 2006 do contain claim 47. ***Therefore, Applicants request that the preliminary amendment dated June 16, 2006 be entered.***

The Notice of Missing Parts also states that additional claim fees in the amount of \$1870 are required because there are six independent claims over three; 31 total claims over twenty one; and \$370 for multiple dependent claims. However, the preliminary amendment submitted on June 16, 2006 contains four independent claims (one independent claim over three); a total of 42 claims (or twenty-one claims over twenty-one); and **no** multiple dependent claims. Applicants submit the **correct** amount of claims fees (\$2,200) was submitted on June 16, 2006.

Applicants note that the \$130 surcharge is correct because the Declaration is being submitted herewith.

If the Office believes there are deficiencies in Applicants calculations, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 50-1901 (Reference 490352-3004/US). Please note that the applicant is a Large Entity.
